## Flushing Area Community Fund

### Who We Are

In 1997, the Flushing Area Community Fund was established to serve residents within the Flushing Community School District. Under the leadership of Tim Purman and fellow Rotarians from the Rotary Club of Flushing, a fundraising campaign was held to create a permanent endowment that would benefit the Flushing area. The campaign raised the seed money to establish the Flushing Area Community Fund. To date, the Flushing Area Community Fund has provided \$66,862 in grants to support Flushing area charitable projects. We recognize the many donors who have contributed to the endowment that benefits the Flushing area, and the volunteers who have stewarded those resources through their committee.

### What We Do

The Flushing Area Community Fund is a component fund of the Community Foundation of Greater Flint. Together with Flushing leaders, we partner and lead by influencing and connecting generosity to Flushing area needs. For Good. For Ever. For Everyone.
